PRINCIPAL'S REPORT

Dear Parents/Caregivers, SunSmart School

Wangi Wangi is now officially a SunSmart School. This program helps the school develop a 10 step plan to keep students safe in the sun. This program gives you reassurance that your child will be protected while at school with things like sunscreen, hats and lessons on the dangers of getting sunburnt.

Please remember bucket hats are part of our school uniform, caps are no longer available for purchase and they will be phased out by the end of the year.

Parent/Teacher Interviews

There has been a great response to our interviews. There are a few interviews that will be held after the holidays. Thank you for your ongoing support in the education of your child.
