

# WANGI WANGI PUBLIC SCHOOL

A proud member of Morisset Learning Community of Schools.

Term 3 Week 2

Thursday 24 July 2014

## Principal's Report

Dear Parents/Caregivers,

**Welcome back to  
An extremely busy Term 3.**

### New Staff

We welcome Mr Aaron McSweeney to Wangi Wangi Public School. In his short time with us, he has created a quality learning environment in 4/5 classroom and the students are extremely excited about their journey with their new teacher.

### 60 years of Education Week - Lighting the Way to a Better World

Our information flyer outlines the comprehensive list of Education Week activities, please find some time to come along and see what's happening at Wangi Wangi Public School.

We are extremely proud of our school, especially the students, teachers and parents who assist us in all our endeavours.

### Morisset Community of Public Schools

During Education Week all the public schools in the Morisset Community of Public Schools will be showcasing their school at Morisset Plaza. The eight schools include Morisset High, Morisset Public, Bonnells Bay, Cooranbong, Eraring, Dora Creek, Wyee and Wangi Wangi. Our school will be at the Plaza on Wednesday 30<sup>th</sup> July between 10.00am and 11.15am. We hope to see lots of Wangi parents on that day. Wangi Wangi Public School is creating the future for all students with quality teaching/learning programs as well as a caring, engaging school environment where students are encouraged to reach their full potential.

### Semester One School Reports

These reports went out during the last week of Term 2. Parent feedback has been positive and the P&C personally thanked the staff for the enormous amount of time and effort that they put into the writing of each student's report. If you require further feedback, please arrange a time to speak to your child's teacher.

### Pre-Service Students

Wangi Wangi welcomes Miss Jill McDonald (1/2) from the University of Newcastle and Miss Rebecca Thompson (2/3) from Avondale, these student teachers will be involved in professional learning, mentoring by their peer teachers as well as working with the wonderful students at our school. Miss McDonald will be with us for all of Term 3 while she is on her Internship.

## World Cup Soccer Afternoon

What a fabulous Wangi Wangi Public School Soccer World Cup afternoon. Thank you to the parents who helped and supported us to make it fun for all.

## 5c Coin Fundraiser

Our 5c coin collection has been an enormous success!

This week we managed to raise \$221.45 bringing our total to over \$1200! This is amazing.

We are so grateful to all of our families, friends and the Wangi community for the generous donations.

All money raised is for the benefit of our beautiful kids. So let's do it again in TERM 4. Start collecting now! Those little 5c go a long way!!!!

## K/1 Fire Station Visit

K/1's visit to Wangi Wangi Fire Station last term was such a success! Children learnt how to act safely in case of a fire. They still talk about the fire officers who showed us about the station, the big trucks and the awesome cupcakes.

## Got It K-2 Program

This wonderful new program to our school supports students with social and problem solving skills as well as helping them cope with managing their emotions. A parent questionnaire has been sent home today, please return it by Thursday 31<sup>st</sup> July. The Got It team will be at school on Monday 28<sup>th</sup> July, at 9:00am if you would like to discuss the program with them.

## Morisset Lions Club Raffle

Please help us raise funds for our school.

Morisset Lions Club has provided books of twenty \$1 raffle tickets to sell and they will donate ALL the money back to our school.

Ticket stubs and unsold tickets, plus \$1 for each ticket sold must be returned to Wangi Wangi Public School by Friday 19 October (last day of Term).

NB: All books must be returned otherwise they must be paid for by the book holder.

### Type 1 Diabetes Survey

The University of Qld is conducting research into parenting children with type 1 diabetes. The aim of this study is to understand the factors that make the management of childhood diabetes particularly difficult and to use this information to develop strategies that might assist parents in managing their child's diabetes.

If you are a parent of a 2 to 10 year old child with type 1 diabetes, we would love to hear from you!

To complete the online survey go to:

<https://exp.psy.uq.edu.au/type1diabetees> or for further info call Aditi on: 07 3365 7689
