PRINCIPAL'S REPORT

School Infrastructure update

I am excited to inform the community that our school is getting an amazing upgrade. It has been confirmed that we are receiving new permanent innovative learning spaces, a new canteen, a new administration building, new student toilet facilities and a new hall. This is an incredibly exciting time for Wangi Wangi Public School, which will turn the school setting into a state of the art teaching and learning facility.

On Thursday 15th November 2018, information booths will be set up to explain more details about what the developments will entail. The booth will open between 8:30 – 10:00am at Wangi Wangi Public School, outside the library. Then, between 4:00pm – 6:00pm the booth will be at Wangi IGA. This is a great opportunity to come and ask questions or find out more about this exciting development. Inside this newsletter is also a project update handout for all families

Most importantly the staging of the works has been planned to ensure the day to day operation of our school will remain the same. Certain sections of the school will be closed off, to ensure efficiency and most importantly the safety of our students and community is maintained. I look forward to continuing to update everyone over the next few months as meticulous planning continues.

Executive Director Visit

Last Thursday we had the pleasure of showing our Executive Director Tim McCallum around our awesome school. He was incredibly impressed with the Teaching and Learning that is taking place at WWPS each and everyday. He also noted that the behaviour and engagement of our students was exceptional. We know WWPS is an amazing school, it is great to be able to show it off!

Peter Pan Preschool Fete

Last Saturday, a group of Wangi students stepped out in full school uniform to represent our school within the local community at the Peter Pan Preschool Fete. These students opened the official program at the preschool by singing the Australian National anthem. Thank you to all students that came along and parents who helped run the Wangi Public School stall on the day. It was amazing to see the local community out and about to support our local preschool.

Kindergarten Transition 2019

In the coming weeks there are many important dates scheduled to conclude the Kindergarten Transition to school program for incoming 2019 Kindergarten students and families.

Tuesday 13th November 2018, 9:45am – 11:00am

Children will participate in a structured lesson in the Kindergarten classroom. Parents are invited to stay and mingle with the other Kindergarten 2019 parents.

New in 2018 - Thursday 22nd November 2018, 6:00pm.

Please come to our school Library for our **Parent Information Expo** for Kindergarten 2019 and future years.

Thursday 29nd November 2018, 9:45am – 11:00am

Children will be introduced to their Year 5 Buddy for next year. Parents will again be invited to stay and mingle with other parents in the school library and morning tea will be provided.
Morning Sessions with Kindergarten - 3rd – 7th December 2018, 9:25am – 12:00pm
Parents select a day for their child to come to Wangi Wangi PS and join in with Kindergarten 2018 for the morning session and lunch.

Tim Lewis

TERM 4 – WEEK 4 – 2018

WHAT'S ON AT WWPS?

School Concert 6:30pm Wangi Workers Club

Friday 30 November
Elections for School Leaders 2019
Scope IT & Dance programs

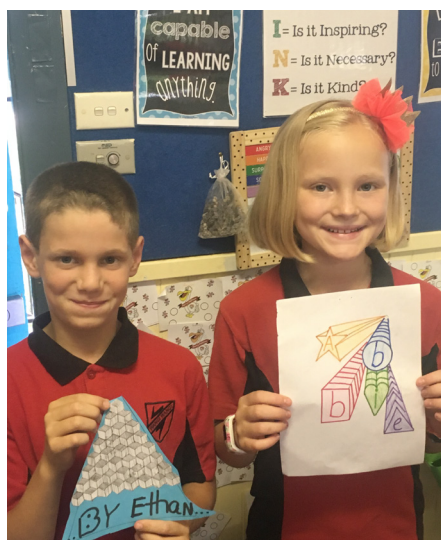

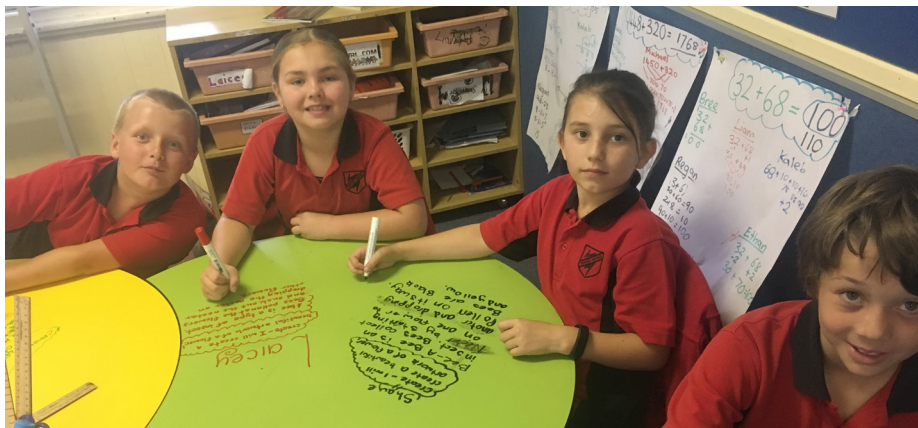

REMINDER
P&C Disco
Thursday 15 November
Kinder-Yr 2 4:30 - 5:30pm
Yrs3-6 5:30 - 7pm

YEAR 3/4

3/4 H has had a very creative start to Term 4. As a part of our science unit we have been learning all about the importance of bees to our environment and the life-cycle of plants. We really enjoyed exploring the vegetable garden for insects and hunting for plants using their scientific names. Following research of the parts of a plant we used oil pastels and paint to create sensational sunflowers. Also, we are working hard to perfect our 90's dance for you all to see!

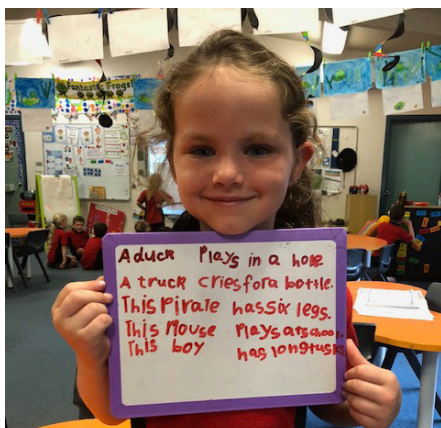

3/4 H love researching and writing facts on their tables and we are learning to turn these into quality information reports and presentations.

As a part of the mathematics syllabus we have been creating amazing 3D artworks. They have really enjoyed creating patterns on isometric grid paper.

READING

Kindergarten love the learning centre where they get to create silly sentences. Check out the sentences Tilly wrote on Wednesday morning and take note of her beautiful writing

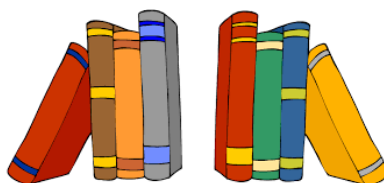

School Concert

29th November - 6:30pm.
Please return all notes regarding students' attendance on the evening ASAP so that class routines can be finalised. Notes about costumes will be sent home in the next week.

Library

All books need to be returned ASAP for Stocktake please

GRANDPARENTS DAY

A massive thank you to everyone that attended our super successful Grandparents Day! It was a beautiful afternoon where our students were incredibly proud to have their grandparents in our school. A massive thank you to everyone that donated money to the drought appeal, we raised \$370 which is an awesome effort. Looking forward to an even bigger Grandparents Day in 2019.

JUNIOR CHOIR PERFORMANCE AT PETER PAN FETE

Well done to our Junior Choir who sang the National Anthem at Peter Pan Pre-school's Fete on Saturday

JARJUM SOAR

Last Tuesday, a group of our Aboriginal students and their guest buddies attended "Jarjum Soar". This day is organised by the Western Shores Learning Alliance as a celebration of Aboriginal Culture. The students participated in many activities including Bush Tucker, Traditional Games, Art, ARL, Language and Stories. The day gave the students many opportunities to make friends and mix with students from other schools. All students in attendance proudly represented our school through their enthusiasm and respect for others.

KINDEGARTEN

Congratulations to Kindegarten for running a successful assembly last Thursday.

CHOOSE WATER as a drink

Water is the best drink as it does not have any added sugar. Fruit juices, soft drink, sports drinks or cordials should not be given to your child everyday as they contain a lot of added sugar. Tap water is the best choice. In most areas, tap water contains fluoride, which helps children to develop strong teeth.

HOW MUCH SUGAR IS IN THAT DRINK?

BEST CHOICE

- Water
- No added sugar
- Plain milk

GOOD FOR STRONG BONES & TEETH

- 100% Fruit

NOT EVERY DAY (Limit to 1 cup)

- Cordial
- Energy drink
- Fruit drink
- Flavoured milk
- Sports drink
- Soft drink

AVOID LIMIT THESE HIGH SUGAR DRINKS

HOW MUCH WATER SHOULD KIDS DRINK EACH DAY?

- 1-5 years: 6-8 small glasses = 1.5 litres
- 6-12 years: 8-10 small glasses = 2 litres

TIPS TO HELP YOUR KID DRINK MORE WATER

- Show children that you enjoy drinking water
- Drink water with every meal
- Take a refillable bottle of water when you go out
- Pack water with your child's lunch
- Encourage your child to drink water when they play sports
- Limit buying sugar sweetened drinks
