

**\*\*\* NEW NOTE – MRS PETERSON MESSED UP (AGAIN) \*\*\***

**WSLA Debating Cup**

Dear Parents / Carers,

We have been invited to participate in the WSLA Debating Cup and, with our success record, I simply couldn't decline ☺

The day is booked in for Thursday 22nd November and we will need to meet at WWPS at 8.15am in order to get there by 8.45am. I am happy to drive all four students to and from the venue. However, if you would prefer to drive your own child please let me know.

The Debating Day will consist of two preliminary rounds of debating and a grand final between the two most successful teams at the end of these rounds. The winning school will receive the Debate Cup Perpetual Trophy to be displayed in their school foyer until the next annual debate day in 2019. All finalists receive recognition for their achievement, and all entrants receive a certificate of participation.

Our debates:

ROUND 1 - **'That recycling bins should be mandatory to use in schools.'**

Affirmative: Dora Creek - Negative: Wangi Wangi

ROUND 2 - **'That social media hinders our relationships.'**

Affirmative: Wangi Wangi - Negative: Cooranbong

Start thinking about these topics. We will work together over the next few weeks.

The day will include a sausage sizzle lunch. Students need to bring their hat, water bottle and snacks. The school canteen will be available for drinks and food to purchase during break times so students can bring money if they wish

The adjudicators will be the Morisset High School Debating Team and coordinating teachers will act as advisories in the adjudication process. All bring a wealth of knowledge and commitment to the task.
